## Tax Rate Hikes For 3 Of 4 Local Townships

4-Mill Cut In Nameoki;  
GC Up 2 Cents; Venice,  
3; Chouteau, 6 Mills

Tax rate increase for three of the four Quad-Cities townships were announced Friday at Edwardsville where new rates still are pending for local municipal government districts, park district and light and fire districts.

The only reduction was in Nameoki township and it amounted to less than a half-cent.

The new rates for the 1964 tax collections will be as follows: 13.2 cents per \$100 assessed valuation for Granite City township, up 2.1 cents; 13.6 cents for Venice township, up 2.1 cents; 22.3 cents for Nameoki township, down four mills, and 19.5 cents for Chouteau township, up six mills.

The new townships reflect increases partially due to cuts in assessed valuations for 1963. The only township showing an increase was Chouteau, and its increase amounted to \$63,900.

**General Relief Taxes**  
Granite City township's new tax rate is based on a \$149,036, 433 assessed valuation, down \$3,696,455 from 1962. The new 13.2-cent tax rate includes 3.2 cents for general town purposes, based on a \$44,230 tax and 10 cents for relief purposes, based on a levy of \$185.830.

In Venice township, the new assessment total is \$67,437,067, down \$2,882,868. The new 13.6-cent rate includes 3.3 cents for general town purposes for a \$20,000 relief levy, 10 cents for the relief levy of \$187,230 tax and 10 cents for a \$20,000 relief levy. The rate for township road and bridge funds has yet been determined.

The Nameoki township assessment total of \$28,445,850 is \$748,561 lower than the 1962 valuation of all township property. The new township tax rate of 22.3 cents consists of 12.3 cents for a \$33,245 general town fund levy and 10 cents for a \$20,000 relief levy. The road and bridge tax rate has yet to be announced.

Chouteau township's new assessed valuation is \$21,838,412. (Continued on page 2, col. 4)

**CAPTURED BY VENICE POLICE.** Venice Police Chief Frank DeWitt (left) stands with three armed robbery suspects taken by three of his officers Friday morning. The suspects, left to right, are Arvester Hawkins, who later was released, Christopher Williams and L. E. Thomas Jr., all of East St. Louis. Thomas and Williams have been charged with a \$2300 robbery at a Bridgman, Mo., service station, but Hawkins was released due to lack of evidence against him.

## Oral Vaccine Workers Meet Tonight To Discuss Plans

An educational-planning discussion will be held by doctors, pharmacists and nurses who will staff the oral vaccine clinic at the stations and those interested may contact: Mrs. Max Merz Jr., 713 E. 7th St., she added.

**Roberts Grandson Dies After Kidney Transplant**  
After Mr. and Mrs. Robert A. Roberts, 1613 More avenue, returned home Saturday from the University of Maryland, where they were called due to the death of their grandson, Robert White, 10, who died Monday afternoon, Feb. 11, Robert, the son of Mr. and Mrs. Nelson E. Roberts, who died in Children's Hospital, Washington, D. C., underwent the area's first kidney transplant last Monday night.

The kidney was taken from the body of a three-year-old child who died Monday afternoon of aplastic anemia, a blood disease. Doctors said that Robert could not have survived for long without the kidney transplant; he had a long history of chronic kidney disease.

A team of surgeons from Children's Hospital and the Georgetown Medical Center completed the difficult three-hour operation and said that the new kidney was working well. The operation was performed with the aid of a drug which combats the "blood barrier" reaction by which the body tends to reject transplanted organs.

Robert had been hospitalized for a month prior to the operation and his grandmother was in Washington for ten days in late January, returning home when the boy responded favorably to peritoneal dialysis, in which poisons accumulated in the blood are removed by passing it through the abdomen flushing technique.

In addition to his parents and local grandparents, he is survived by two brothers, Francis and Andrew, at home, and his maternal grandparents, Mr. and Mrs. Irvin H. Bernhardt of Arlington, Va.

The memorial service was conducted by Dr. George Docherty of the New York Avenue Presbyterian Church, and burial was in Arlington National Cemetery Thursday.

## SWB Reminds GC To Start Plant By July 1—Or Else!

A "get-tough" notice has been received by the city from the state Sanitary Water Board, advising that Granite City's sewage treatment plant had better be under construction by July 1—or else!

The notice from C. W. Klassen, chief sanitary engineer for the state, is to be presented to the city council tonight.

The city is expected to meet the state's order, with final construction plans for the treatment plant and Granite City Army Detachment property to be ready by May 15.

Mr. Charles W. Moerlein, chairman of the Pollution Study committee, reported at the Feb. 3 meeting the timetable set by the Act.

## Venice Police Nab 2 Suspects In Robbery Case

Two East St. Louis men, suspects in a \$2300 armed robbery of a Bridgman, Mo., service station, were captured minutes after the stick-up Friday morning by alert Venice police.

A third man arrested with the pair was later released. The Venice police department received a call about 7 a.m. Friday that the robbers were thought to be escaping on Interstate 70 through St. Louis and might attempt to cross one of the Mississippi River bridges.

Fifteen minutes later, Officer Ralph Hawking, who had tried to locate the police station in the area, spotted the trio in a battered 1959 automobile.

Brawley radioed to headquarters and said he would follow the car to Fourth and Broadway where the police station is located. There Assistant Chief John Essington and Officer Homer Essington were waiting and the three policemen made the arrest.

## 2 Buildings, Pole Hit By Cars In Freak Crash

Three charges were filed by Madison police at 2 a.m. Saturday against Orin William Yates, 48, of 2445 Jerden avenue after a series of mishaps occurring on 12th street. He was believed to have been driving, improper lane usage and leaving an accident scene, and is to appear for a hearing Feb. 20.

His westbound car allegedly struck the rear of the parked car of Eugene L. Hecht, 29074 Cleveland, Blvd., knocking it against the Schermer Brothers Supermarket building at 12th street and Madison avenue. The Yates vehicle then continued on and hit the Jolly Mill tavern building at 12th street and Grand avenue, police said.

Officers charged that Yates next made a U-turn at the intersection, striking a utility pole and drove away. He was arrested at 2:30 a.m. in the 2400 block of Jerden avenue.

## Postoffice To Close On Washington's Birthday

Postoffices in the Quad-Cities will be closed Saturday in observance of the federal holiday for the birth date of the country's first President, George Washington.

The postmasters said there will be no deliveries of mail on that date.

## Jail To Be Big Topic For County Board

A resolution calling for the appointment of a committee of 17 persons to study the need for either enlarging the county jail or building a new one is on the agenda for the 10 a.m. meeting of the Board of Supervisors.

The board also is to receive a report on bids for purchase of road oiling equipment; reports from the treasurer, circuit clerk and highway department; and a list of the peace, magistrates, auditor and liquor control commission.

A contract is to be awarded for purchase of two autos for the sheriff's office and to secure bids for highway trucks.

## Hoelscher Chosen To Receive '63 Civic Award

Service To 'Y' Schools,  
Hospital, Scouts, Church,  
Community Chest Cited

Gustav W. F. "Gus" Hoelscher, who has just retired as manager of the local Manufacturers' Association, is the 1963 winner of the Civic Achievement Award in recognition of "long and outstanding service to this community."

The announcement today by the Award Committee of the Associated Retailers and Civic Association cited his quarter-century tenure as YMCA president, his service as St. Elizabeth Hospital advisory board chairman, his 15 years as high school board president and "leadership in a wide variety of other endeavors that have improved life in the Quad-Cities area."

A committee will be appointed to plan the presentation program, Edwin G. Schmitt, Award chairman, said. Hoelscher was in being chosen for the 15th annual award. Hoelscher has been the first individual winner in several years. There were dual selections for 1960, 1961 and 1962.

The award traditionally called attention to either an outstanding achievement of the past year or a series of civic accomplishments over a longer period of time. The winners are chosen by a committee of business and community leaders.

Hoelscher born on a Washington County, Ill., farm to Frederick and Wilhelmine Hoelscher, he has been closely linked with the development of the local community throughout his life. He came here as a small child 6 years ago.

He first attended school at a residence at 20th street and Madison avenue and was enrolled at Washington school as soon as it was completed in 1903. His father was employed at the Corn Products (Union) plant on Wednesday.

The officers also found \$288.95 in small bills and coins plus \$81 which one of the suspects, Christopher Williams, 25, claimed was his and was not part of the robbery loot. The other men arrested were Arvester Hawkins, 30, and L. E. Thomas Jr., 38.

They were taken to the Madison police station for a lineup where Williams and Thomas were identified as the men who entered the Lindbergh road Derby service station by the robbery victim, Roger Heumann of Hazelwood, Mo., and another victim. It was reported Heumann had the large amount of money on hand to cash Friday payroll checks.

The suspects were extradited to Bridgman police, who termed the robbery a "darned good police job."

Thomas and Williams, both identified as ex-convicts, are being held in St. Louis county jail on robbery warrants after admitting their part in the holdup. Hawkins, however, was released due to lack of evidence. He told police he was driving the service station when Thomas and Williams jumped in his car. Hawkins is also an ex-convict, police said.

## Snow Boosts Auto Crash Total To 28; 11 Injuries

A five-inch snowfall Saturday helped boost the Quad-City area traffic accident total for the week to 28. Six of the mishaps resulted in injuries to 11 persons.

Two Granite City brothers, Steven Evans, 22, and Anthony, 19, Rural Route One, suffered head injuries Friday night when an auto driven by Steven struck a light standard off Interstate Route 70 at the St. Clair avenue exit in East St. Louis.

Both men are in fair condition at St. Mary's Hospital, East St. Louis, where they are being treated for head injuries.

Police said Steven told them he lost control of his auto while making a turn off the interstate route. The light standard was knocked down at the intersection.

**Car Hits Flasher Lights**  
Jimmy D. Poe, 22, of 2432 Illinois avenue was injured at 8:15 p.m. Saturday when his eastbound auto went out of control on slick pavement and skidded onto a raised concrete median strip, toppling down railroad flasher lights. The mishap occurred on 20th street at Nash street, near railroad tracks leading into the Granite City Steel Co.

Poe was admitted to St. Elizabeth Hospital after being taken there by ambulance. He suffered a lip abrasion and reported pain in the right shoulder and right rib area.

Police filed charges of reckless driving and driving without a license. The car was towed away.

**Couple Charged With Looting 100 GC Parking Meters**  
A couple was arrested by Granite City police on charges of rifling about 100 parking meter coin boxes in Granite City.

Charged with theft Thursday afternoon were Charles Lind, 21, and Mary Jane Woodland, 10, both of 1412 Edgewood street. They were held on \$500 property bonds set by Magistrate Gasparovic pending a preliminary hearing on Wednesday.

Several coin boxes were found in the house and a broken meter was discovered in the basement. Police were checking roofs to find out if the thieves were diving from the roofs of nearby buildings.

The pair at times worked as a meter, police said, standing at a meter as though they were talking. She would block the view while he worked on the meter. Police said they first started in the parking area of the city hall districts but found that the "take" was too small and moved into the middle of the downtown business district.

**10 Undergo Surgery At St. Elizabeth Hospital**  
The following are recovering from surgery at St. Elizabeth's hospital: Darlene Snek, 2516 Buxton avenue; Shirley Lee, 2101 Terminal avenue; Mary Niebur, 1414 Miami court; Lloyd Edwards, 2539 Edwards street.

## Huge Spending Plan Ignores GC Port Facilities

Millions In Taxes  
May Be Used To Give  
St. Louis Deep Water

(Third of a series)  
Almost as if the Port of Granite City did not exist, a move is developing that could cost taxpayers here and elsewhere millions of federal tax dollars. Its purpose—to assure adequate port facilities for the St. Louis metropolitan area.

Already, expenditures have started. A preliminary survey of port conditions at St. Louis is being conducted by the U. S. Army Corps of Engineers, acting under the direction of the Public Works Committee of the U. S. House of Representatives.

The request to the Public Works Committee was submitted by Representatives Frank Karsten and Mrs. Leonor K. Sullivan, St. Louis Democrats, who relayed a report by St. Louis Mayor Raymond R. Tucker that operations of public docks and harbor terminals are being hampered by low water.

In a letter to Rep. Karsten, Tucker had noted that the river has been at a low stage for several months and that a 20-foot shoal is believed to have developed since then.

The move added that similar conditions prevail at the Ratterger street dock eight miles downstream and at the Kingsport fleet at the foot of Arsenal street. He cited "increasing difficulty in making an operating berth at the foot of Arsenal street."

Major R. Tucker commented, "Because the city of St. Louis is vitally interested in the continuing operation of the entire waterfront, we have made an investigation from Mile 175 to Mile 180, and have found that this area has experienced difficulty due to shallow water, and some have been forced to close their business elsewhere because of the unreliability of docks in the Port of St. Louis."

Police filed charges of reckless driving and driving without a license. The car was towed away.

**Odum Gets 3-8 Years In Prison For Burglary**  
Henry Louis Odum, 31, of 196 Viola Jones Homes, was sentenced to a term of three to eight years in the Illinois state penitentiary Friday by Judge Howard White of Jerseyville in Madison county circuit court at Edwardsville.

Odum was found guilty a week earlier of burglary and a waived right to file motion for a new trial. He was arrested on a charge of burglary with seven house burglaries in Madison.

Other defendants were sentenced Friday by Judge Joseph J. Barr on charges of burglary and larceny. The charges involving payroll checks stolen from the G. H. Sternberg Co., Granite City contracting firm last summer.

Lloyd C. McCoy, 24, whose address was 1808 Wilson avenue, was given a term of one to two years in prison, and Joseph Walter Purcell, 30, who gave a Patterson, Mo., address, was given three years probation provided he first serve six months on state prison farm at Vandalia.

## Burglars Loot Homes, School, Cars And Church

23 Thefts In Quad-Cities  
Also Include Business  
Places, Telephones

Burglars and thieves staged 23 thefts in and near the Quad-Cities since last Thursday, breaking into a Granite City day care and a church, as well as looting homes and business places.

Parked autos continued also as a prime target for the thieves who took clothing, parts and hubcaps. Among the break-ins reported yesterday were those at Prother Junior high school and Central Christian Church.

Burglars who may have been frightened away when a custodian burst in on them at 5:30 p.m. Sunday took a pay telephone from the main entrance at Prother Junior high school and ransacked several offices. It was reported at 10:50 p.m. Sunday by George Withers, the custodian.

When he arrived he found that the glass on the south door was broken, apparently with a large stone water drain which was inside the doorway. The main door to the principal's office was forced open and the administrative offices were ransacked. A vending machine was pried open but the coin box was intact.

An undetermined amount of cash and checks was stolen in a burglary at Central Christian Church, 2020 Johnson road. It was reported at 8:30 a.m. Sunday. Entry was gained by breaking a window at the south side of the church and by breaking and entering through the glass to the office door. Rev. James Craddock, pastor, said that about three or four dollars could have been taken from an unopened mail.

**TV, Stereo Set Taken**  
A 15-inch portable television set worth \$274 and a stereo record player valued at \$161 were taken from the home of A. Y. Holloway, 811 Jackson street, West Madison, between 2:20 p.m. and 3:30 p.m. Sunday. Entrance was gained by forcing open a door.

Charles Tarlas, 2337 Cleveland Blvd., reported at 11:45 p.m. Sunday that his house was ransacked by burglars after 10:30 p.m. The front door was forced open with a large bar or screwdriver. The burglar left by the rear door. Nothing was taken, he said.

## February Moisture Already Above Normal

Saturday's five-inch snowfall, measured at 51-inch precipitation, boosted the total accumulation for February to 1.55-inch or slightly above the 1.88-inch normal for the entire month.

The gauge maintained at the Chain of Rocks canal locks by the U. S. Army Corps of Engineers shows that 614 inches of snow has fallen this month, not including the 55-inch of rain, sleet and snow recorded on the morning of Feb. 13.

Saturday's snow, while still evident, was extremely wet and a considerable amount melted as fast, a locks attendant reported.

## Know the Code

(This is a series of items taken from Illinois Traffic Code to remind Quad-City motorists of laws relating to motor vehicles.)

**FLASHING SIGNAL LIGHTS**  
Flashing red or yellow traffic signals are to alert motorists to stop or proceed with caution.

Flashing red (stop sign) requires drivers of vehicles to stop before entering the nearest crosswalk or at a limit line when marked. If there are no lines, the motorist is to stop until pedestrians or crossing vehicles are clear.

Flashing yellow (caution signal) means drivers may proceed only with caution through the intersection. The past such a signal light when it is not at an intersection.

ferred elsewhere because of the unreliability of the docks in the Port of St. Louis.

**Immediate Kennedy Urged**  
Cong. Karsten stressed the importance of a prompt survey, saying it would enable low water conditions to be corrected before the spring of 1964, when he anticipates an increase in barge traffic.

Everett T. Winter, executive vice-president of the Mississippi Valley Association, agreed that a survey might be advisable but warned against rapid, simple and supposedly inexpensive remedies. He said any measures to correct a progressive decline of the Mississippi River level at St. Louis must be long-range, or the costliness of such a project could not be justified.

Dredging out some of the shoals that have built up along the waterfront would ease the situation temporarily, but they would quickly reappear, he said. Silt passing St. Louis has been measured at 12,000 tons a day at low water and 6,000,000 tons a day in flood stages. And there is a question whether the 300-foot authorized channel would permit current dredging operations along the St. Louis bank.

The Corps of Engineers has cited two factors the study might take into account. One estimate is that it would take at least five years and many costly surveys and hearings before such a project could be undertaken.

The study itself would cost "hundreds of thousands of dollars" and would attempt to show that benefits would be in a favorable ratio to the cost.

**More About Tax-Rate Hikes**  
(Continued from Page 1.)

The 195-cent township tax rate includes 9.5 cents for a general purpose tax levy of \$19,475 and a 10-cent rate for a \$3,530 relief levy. In 1962, the township's 18-cent rate included 8.8 cents for a \$18,040 general levy and 10 cents for a \$30,850 relief levy.

The only other tax rate announced to date for the Quad-Cities area is the 37.5-cent rate for the county. It was reduced from last year's 21.2-cent rate despite a county-wide assessed valuation drop of \$2,739,287 to \$824,269,034.

Tax rates for Quad-Cities taxing bodies always are figured last by the tax staff of Miss Paulina Hotz's office because of a customary delay in receiving a rate for the East Side Levee & Sanitary District. The levee board is to set its new tax levy this week, and the rate will be figured at the office of the county clerk in St. Clair county.

A breakdown of last year's tax rates for local townships follows:

Last year, the total tax rate for Granite City was \$3.016, including 83.5 cents for the city, \$2.293 for the school district, 41.3 cents for the levee district, 21.2 cents for the county, 12.4 cents for the park district and 11.1 cents for the township.

The total rate for Madison was \$3.897 of which \$1.05 was for the city, 10.3 cents for the township, 3.3 cents for the township road and bridge, \$2.034 for the school district, 44.1 cents for the levee district and 21.2 cents for the county.

In Napoleon township the rates included the school district for the township, 28.7 cents for the township road and bridge, 44.1 cents for the levee district and 21.2 cents for the county. In addition the area involved paid 8.8 cents for the Long Lake fire district, 9.3 cents for the Miracle Manor-Belleme Park street lighting district and 10 cents for the State Park place street lighting district.

**Mrs. Pearl Hoover Dies**  
Mrs. Pearl Hoover, Apt. 42, Venice Homes in Venice, was pronounced dead in arrival at Jewish Hospital, St. Louis, at 12:40 p.m. today. Funeral arrangements are pending at the Lahey Funeral Home.

**Car Hits Depot Fence**  
The auto of Lemell Johnson, 204 Viola Jones Homes, skidded and damaged the Army Depot Fence along County road in Venice at 2:15 p.m. Saturday.

**Snow Causes Mishap**  
The front of the southbound auto of Daniel Antonowich, 1030 Iowa street, Madison, struck the rear of the parked car of Orval Hawkins, 1404 Washington avenue, near the Hawkins home at 4:30 p.m. Saturday. The driver said his car slid on snow.

**Auto Headlights Broken**  
A vandal with an air rifle shot out two headlights and a parking light on the car of Richard McIntosh, 208 Broadway, and two headlights on the auto of Ron Ganschewitz, St. Louis, parked at the rear of the Venice school during a heavy snow that kept game Friday evening.

That dredging is impractical at the St. Louis waterfront. He opposed construction of dikes as possibly interfering with a flood control project currently under construction.

**5 Years Of Study, Hearings**  
A multi-million-dollar 5-year study might correct the low water, but could only be planned after a full-scale study that might take years to complete. One estimate is that it would take at least five years and many costly surveys and hearings before such a project could be undertaken.

**More About Tax-Rate Hikes**  
(Continued from Page 1.)

The 195-cent township tax rate includes 9.5 cents for a general purpose tax levy of \$19,475 and a 10-cent rate for a \$3,530 relief levy. In 1962, the township's 18-cent rate included 8.8 cents for a \$18,040 general levy and 10 cents for a \$30,850 relief levy.

The only other tax rate announced to date for the Quad-Cities area is the 37.5-cent rate for the county. It was reduced from last year's 21.2-cent rate despite a county-wide assessed valuation drop of \$2,739,287 to \$824,269,034.

Tax rates for Quad-Cities taxing bodies always are figured last by the tax staff of Miss Paulina Hotz's office because of a customary delay in receiving a rate for the East Side Levee & Sanitary District. The levee board is to set its new tax levy this week, and the rate will be figured at the office of the county clerk in St. Clair county.

A breakdown of last year's tax rates for local townships follows:

Last year, the total tax rate for Granite City was \$3.016, including 83.5 cents for the city, \$2.293 for the school district, 41.3 cents for the levee district, 21.2 cents for the county, 12.4 cents for the park district and 11.1 cents for the township.

The total rate for Madison was \$3.897 of which \$1.05 was for the city, 10.3 cents for the township, 3.3 cents for the township road and bridge, \$2.034 for the school district, 44.1 cents for the levee district and 21.2 cents for the county.

In Napoleon township the rates included the school district for the township, 28.7 cents for the township road and bridge, 44.1 cents for the levee district and 21.2 cents for the county. In addition the area involved paid 8.8 cents for the Long Lake fire district, 9.3 cents for the Miracle Manor-Belleme Park street lighting district and 10 cents for the State Park place street lighting district.

**Tourism Group Meets On 'Expedition Land' Plans**  
Chairman William Thosell appointed planning and financial subcommittees as the Chamber of Commerce, Tourism Promotion Committee met Thursday afternoon at the C. of C. office.

The region has been designated "Illinois Expedition Land" and there will be brochures, billboards and advertising publicizing this area, four counties along the Great River Road and the region.

**Suit Filed To Dissolve Radio Station Combine**  
A suit in chancery to dissolve a partnership has been filed by Charles H. Norman, operator of radio station WGN, against John Karoly and George Moran in Madison county circuit court.

The suit states that Norman entered the partnership agreement on Dec. 30, 1957, and that he has performed all acts required under its terms.

He asks the court to order a sale of the assets of the partnership, either at a public or private sale, and to decree that the partners, individually or in combination, may be the purchasers of the assets.

**National Engineers' Week Being Observed**  
The Madison county chapter of Professional Engineers will meet jointly with the St. Clair county chapter and the Military Society of Professional Engineers at 8 p.m. Thursday at Scott Air Force Base near Belleville, it was announced today by Carl D. Peters, president of the Madison county chapter.

The dinner meeting will be held for the observance of National Engineers' Week this week, and the theme is "Creative Engineering - Design for Tomorrow." There will be a talk on "Communication by Light."

Plans are being made to canvass senior students in high schools in Madison, Greene, Ford, Montgomery and Macoupin counties to determine how many want to compete for scholarships which will be available in the engineering field.

RECEIVING RECOGNITION for his suggestion enhancing the overall U.S. Army safety program is Gerald Walters, 2568 State street, editor of the Army depot newspaper, "The Graniter." He is pictured here being presented a certificate of commendation from Col. John M. Andley (right), commanding officer at the depot.

## MORE ABOUT Hoelscher Chosen

(Continued from Page 1.)

Starch) plant and the family was active in St. Peter Evangelical and Reformed Church.

As an example of his early demonstration of leadership he met the former Cars Mae Rader, and they were married 42 years ago at St. Peter Church. Their children are Mrs. Gordon (Lola) Sewell of Colorado and William F. Hoelscher, an attorney and former Air Force officer who has succeeded him as manager of the Manufacturers' Association of the Tri-Cities.

G. W. Hoelscher became the administrative officer of the manufacturers' organization in 1936 after employment with an East St. Louis paint company and with the St. Louis Coke & Chemical Co., Granite City, where he rose from the accounting department to the position of purchasing agent.

YMCA, Hospital Drives

His election to the high school board in 1933 was interpreted as a mandate for change in policies then existing. The financial position of the district was strengthened and Community high school became recognized as one of the top secondary schools in Illinois during his years as board president.

His objective in his association with the manufacturers' group was to work for the welfare of this community as well as to aid industries in their competition with business firms elsewhere.

In the former category he became one of the most active and effective civic servants in local history. Examples were his role in a \$100,000 YMCA remodeling fund drive financed entirely by industries and a hospital expansion campaign which exceeded the goal by \$108,000, more than 25%.

## Electoral Board Rules Against GC Candidate

The name of Vernon W. Sappington, Democratic candidate for Granite City Precinct No. 6, committee man, has been removed from the ballot by the Madison county electoral board which ruled that his petitions were out of order. The objector was Roy "Chicken" Poulos, another candidate for the post who now has no opposition.

The board ruled in favor of three other Democratic committee candidates. In Venice Precinct No. 3, A. C. Butler objected to petitions filed by Earl Keltz, and after receiving a favorable ruling, Keltz objected to Butler's petitions, and the board found them to be in order.

Also in order were petitions filed by Donald Baldwin, Granite City Precinct No. 1 candidate. His opponent, Frank Fuzessery, was the objector.

Hoelscher also has served as a director of the Madison County Tuberculosis Association, Salvation Army, Chamber of Commerce, National Industrial Council, Metropolitan Plan Association, City Planning Commission, Civil Defense Advisory Council, Zoning Committee, National Recovery Act Board, War Labor Board Panel, American Red Cross, Coordinated Youth Service, Social Planning Council, Madison County Public Aid Advisory Committee and Granite City School Foundation.

He is a member of Elks Lodge 1063, the Granite City Rotary Club, Missouri Athletic Club, Marine Lodge 877, Scottish Rite, Ainal Temple Shrine and Order of Eastern Star Granite Chapter 650, of which he is past patron.

Civil Defense Directors

To Map Emergency Exercise

A meeting of local Civil Defense directors will be held at 7:30 p.m. Wednesday at the Granite City Civil Defense office to set up a Tri-City emergency exercise for the near future.

The directors are Victor H. Koenig of Granite City, Harry R. Johnson of Madison and Elmer Taylor of Venice. A representative of St. Elizabeth Hospital has also been invited to participate.

ATCHELSON, who applied his brakes and skidded into the front end of the truck, was charged with careless driving. Frank R. Campbell, 35, of East St. Louis, the truck driver was charged with improper backing. He posted his chauffeur's license as bail for a hearing on Feb. 26.

Severe injuries were suffered on the Chain of Rocks Bridge at 1:50 a.m. Sunday by two motorists, Donald Lemonds, 21, Ferguson, Mo., and Everett Quinn, 60, Wood River, and Quinn's wife, Julia, 61. All were taken to St. Louis City Hospital No. 1.

State police said Lemond's westbound car hit a bridge pier and then met Quinn's eastbound auto head-on.

Injured in an auto mishap Saturday, Mrs. Charles (Kay) Reed, 23, South Roxana, was admitted to St. Elizabeth Hospital for treatment of head and back injuries and a scalp contusion. Her two-year-old child, Terri Lynn Reed, who had been asleep on the back seat of the car during the accident, was examined but had no apparent injuries.

## Winter Weddings, Parties Highlight Social Activities In Quad-Cities Area

### Richardson-Davis Wedding Saturday At Collinsville

The wedding of Miss Barbara Ann Davis, a daughter of Mr. and Mrs. Burrell Davis of Collinsville, formerly of Madison, and Francis Robert Richardson, son of Mr. and Mrs. Francis Richardson of Lebanon, Ill., took place Friday evening at the Meadow Heights Baptist Church in Collinsville.

The Rev. James Doorn performed the ceremony at 8 o'clock and the guests remained for a reception in the church dining hall.

The bride wore a gown of imported Chantilly lace with a sash and neckline trimmed with sequins and pearls. The sleeves were long and tapering at the hands and the skirt terminated in a chapel train. A veil of French illusion was held in place with a crown of lace, pearls and sequins attached to a cascade arrangement, was composed of large white roses, miniature red roses, stephanotis and ivy.

Miss Connie Zambaldi was maid of honor, serving with two bridesmaids, Miss Beverly Davis, the bride's sister, and Miss Mary Richardson, a sister of the bridegroom. They wore full length gowns of red peau de soie and carried cascades of white roses and ivy. Bridesmaids wore red silk illusion and carried bouquets of red roses.

Two flower girls, Karen and Susan Singleton, were in floor-length dresses of white satin with overskirts of red and white with red satin roses and red satin cummerbunds. They carried baskets of red and white roses and ivy and wore circles of red ribbons in their hair.

Danny Bone was best man, and groomsmen and ushers included Michael Richardson, a brother of the bride, and George Davis, the bride's brother, Ronald Green, and James Klein, groomsmen and ushers. The bride was graduated from the Collinsville high school and is presently a sophomore at Southwestern Illinois University, East St. Louis campus. Mr. Richardson is an accountant with the Lucille Steel Co., a graduate of the Lebanon high school, he is now a student at SIU.

The newlyweds will live at 208 East Main street, Collinsville.

### Hudson-Shank Wedding Saturday At Midvale, Pa.

Of interest here was the wedding Saturday in Midvale, Pa., of Miss Mae Kathryn Shank, a daughter of Mr. and Mrs. Anso H. Shank of Waynesboro, Pa., and Earl C. Hudson, whose parents are Mr. and Mrs. Lester E. Hudson, 2140 Grand avenue.

The ceremony took place at the Harbaugh United Church of Christ with the Rev. William Swisher officiating at 2 p.m.

A gown of silk-faced organza with a demure Italian neckline, bracelet-length sleeves and a shaped, empire midriff traced in satin was worn by the bride. The full-length, slightly domed skirt was finished in back with twin long bows and a handrolled illusion veil cascaded gently from a halo of pearlized orange blossoms. A white orchid on a ribbon took the place of the traditional bouquet.

The attendants were Mrs. Francis Kline, a sister of the bride, and Harry H. Nelson. The bride's brother, William E. Shank and Richard Wickman served as ushers.

Mrs. Kline was attired in a floor-length gown fashioned with a gold colored satin skirt and a broad bodice in the same color. Gold satin roses held in place a sport bouffant veil and white pom poms made up her old-fashioned bouquet.

A reception followed the ceremony. After a wedding trip to New York the newlyweds will reside in Granite City.

The bridegroom, a graduate of the Granite City high school, is employed in St. Louis by the U. S. Army Aviation and Surface Material Command. The former Miss Shank graduated from the Waynesboro high school and has been employed as a payroll clerk by the Waynesboro Knitting Co.

Joseph John Dusek, infant son of Mr. and Mrs. Jerry Dusek, 925B Washington avenue, Madison, was christened Sunday afternoon at St. Mary's Catholic Church in Madison by Rev. Sylvester Micek. The godparents were Sharon Dusek and Floyd Price.

Mr. and Mrs. Dusek entertained guests at a dinner party in their home after the christening. Present were Mr. and Mrs. Floyd Price and children, Mark and Becki, Mrs. Mary Dusek, Sharon Dusek, Mrs. Mary Kristian, Mr. and Mrs. Edward Votopal and daughter, Debbie, and Mr. and Mrs. Grover Norwood.

### Warnhoff-Stone Nuptials At Concordia Lutheran

In a late afternoon ceremony taking place Saturday at Concordia Lutheran Church, Miss Diana Lynn Stone and Frederick Earl Warnhoff exchanged wedding vows.

The Rev. Arvin Twietmeyer officiated at 4 o'clock and the bride's parents gave a reception afterward in the parish hall. The sanctuary was decorated with altar bouquets of white gladioli and chrysanthemums and a program of wedding music was furnished by H. A. Amelung, vocalist, and Gordon Waterman, organist.

The bride is a daughter of Mr. and Mrs. Nick Azari, 291 Rosewood drive, East Alton. Mr. Warnhoff's parents are Mr. and Mrs. Life Warnhoff, 530 Jefferson avenue, Venice.

Miss Phyllis McMillan was maid of honor and Miss Mickie Azari, the bride's sister, was bridesmaid. Other attendants were Melvin Warnhoff, a cousin of the bridegroom, as best man and Frank Bornes, Bill Sandbach and Cecil McReynolds, groomsmen and ushers.

For her wedding the former Miss Stone selected a floor-length gown of white organza trimmed with tiers of lace and caught up with lace roses embroidered with sequins. Seed pearls and sequins adorned the sash and neckline and long sleeves came to points at the hands. A pearl queen's crown held in place a veil of illusion and the bride held an arrangement of white pom poms, a white orchid and variegated foliage.

The bridesmaids, dressed alike, wore turquoise velvet. The gowns were styled with round necks, elbow-length sleeves and bell skirts. Their heart-shaped colonial bouquets were edged with lace.

The bride graduated from Civic Memorial high school in Bethalto. Mr. Warnhoff attended the Venice schools, Washington University and McKendree College. He is employed in St. Louis.

## Local Teams Take 5 Weekend Games; GC Beats Quincy, Lincoln Tops Red Bud

7th Straight Mat Title

### Granite City Wins District, Qualifies 10 Boys

Ten Granite City high school wrestlers qualified for sectional tournament competition at the district meet Saturday at Wood River.

The Warriors had six individual champions and four runners-up. The team total of 126 points gave the school its seventh straight district title since the tournament was initiated in 1938.

Edwardsville finished second with 105 points, marking the first time in district history that two teams finished with more than 100 points. Wood River was third with 96, followed by Roxana 92, Bethalto Civic Memorial 10 and Highland 8.

Individual champs from Granite City were heavyweight John Evenden, Jim Vallof (133), Dan King (120), Steve Cavanaugh (112) and Paul Lapinski (103).

Finishing second were Gary Forshee (180), Mike Nichols (145), Mike Nichols (127) and Mike Reynolds (85). The only two Warriors entered who did not qualify were Bourbon

Reynolds Lapinski Cavanaugh King Nichols  
Mofsky Vallof Mounce Forshee Evenden

Stark (154) and Ernie Kern (165). Both finished in third place. Evenden and Lapinski were the only wrestlers to pin all three of their opponents. It was the third straight district title for Lapinski, who won in two previous seasons at 85 pounds. Other repeating champs were Mofsky and Chuck Killian of Edwardsville.

Forshee, a defending champion, yielded his title at 180 to losing to Wood River's Gary Wintjen for the first time in eight years. The Warriors (left photo) of the 1963-64 basketball championship for fifth and sixth grade boys with an 18-6 win over the Buckeyes of the Western Division. Warriors, left to right, are: front row—Bill Watson, Eddie Hagauer and Jeff Gabriel; back row—Phil Sheidman, Ron Grady and John Grady. Hagauer had 11 points in the

meet at Edwardsville's Cud Al-

ward, who is 25-0 at 95

pounds.

Results of championship bouts: 95 pounds — Cud Alexander (Edwardsville) over Mike Reynolds (Granite City), 5-2; 103 — Paul Lapinski (Granite City) pinned Ryland Dare (Wood River), 1-25; 112—Steve Cavanaugh (Granite City) over Ray Carter (Edwardsville), 2-1; 120 — Dan King (Granite City) over Elmer Lewis, 2-1 in overtime; 127 — Jim Cump (Edwardsville) over Mike Nichols (Granite City), 3-0; 133—Tom Mofsky (Granite City) over Bill Haufe (Wood River), 8-1; 138 — Jim Vallof (Granite City) over Ed Small (Edwardsville), 8-1; 145—Chuck Killian (Edwardsville) over Mike Mounce (Granite City), 3-40; 154—Bill Rohrkaste (Edwardsville) over Leonard Marmino (Roxana), 8-2 in overtime; 165 — Harry Jeffers (Roxana) over James Little (Edwardsville), 18-0; Gary Wintjen (Wood River) over Gary Forshee (Granite City), 10-8; heavyweight—John Evenden (Granite City) pinned Bill Hartman (Edwardsville), 3-48.

State finals will be held Feb. 28-29 at Northwestern University, Evanston, Ill. The only undefeated wrestler to advance from the Wood River

title game, the Kahoks (right photo) of the Red Division won the third and fourth grade title with a last-second 12-11 win over the Bombers of the Green Division. Kahoks, left to right, are: front row—Joe Wallace; back row—Earl Penrod, Steve Burdge and Larry Hudson. The fifth player, Tom Summers, was absent when photo was taken. Wallace led the Kahoks' victory with seven points.

No doubt about it—winning is fun. And Quad-City high school basketball teams had a most jolly weekend, winning five-of-five games.

Venice's Red Devils took the spotlight by winning the Cardinals basketball conference championship with a 57-35 victory over the Cardinals Cardinals Friday night at Breese, and then downed the highly-regarded St. Paul Vikings 78-73 Friday night at Venice.

The Madison Trojans, playing at Highland without injured leader Paul Lusk, showed down not a bit and smacked the Bulldogs 91-55 Friday night. It was their 10th straight victory and improved their league record to 8-0.

They can clinch the Midwest Conference championship tomorrow night with a victory over the visiting Kahoka Comanches.

Quincy's Blue Devils came to

town Friday night and gave the Cardinals a battle before finally losing 74-67 in a non-conference contest. In another non-league game Friday night, the host Lincoln Rams of Venice defeated the Red Bud Musketeers a 73-59 defeat. The Rams play away tomorrow night against Worden's Trojans.

Both Venice and Granite City are idle tomorrow night but end their schedules Friday night with the Devils home to Livingston's Eagles and the Warriors visiting the Alton Redbirds.

Eslington Paces Devils Freshman Rich Eslington led the Venice scoring in both victories with 16 points against Breese and 29 points against St. Paul. John Robertson also scored 16 points in the game with the Cardinals.

A 28-point explosion in the fourth quarter at Breese was the key to clinching the MCM title. The Devils won since 1954. The Devils hit 60% in the quarter and ended with 33% from the field.

Against St. Paul, which entered the game with a 17-5 record, Coach Bill Olenkoff's Devils entered through the game and had a 16-point advantage in the second quarter. But in the late stages, the Vikings came within two points (73-71).

Sophomore Howard Black, who has missed 13 games in the Devils' 17-4 season due to an appendectomy and flu, returned to the lineup Friday night and will be available for the district tournament at Venice.

Venice's Jayvies also won both games. They beat Breese 40-19 as Terry Cooper hit eight points, and topped St. Paul 53-40 as Greg Fuent scored 17 and De-

ll made 15 of 31 field goal attempts and grabbed off 20 of Madison's 57 rebounds. Junior Mike DeGard entered the game after starter Hayes Wright got three quick fouls and made his first varsity effort to do with eight points and 10 rebounds.

Coach Earl McClannahan said DeGard as a key player if Lusk continues to be sidelined with knee injury. Also impressive was Gary Skinner, who made 15 points. Reliable sophomore guard Dale Turner hooped 14 markers.

A major factor in the Trojans' success was holding Highland's high-scoring John Duff to no field goals. He did, however, make seven foul shots. John Duff led the Bulldogs with 13 points.

Madison's junior varsity rank up an 81-45 triumph with a 22-10 victory over the Trojans. Young scoring 22 points in two and a half quarters. Alton Renell added 17 and Carl Mar-

made 13. Larry Lilley, Warren Star, Larry Lilley and Jim Garver. The Trojans' forward positions for Granite City, paced the victory over Quincy. Lilley plugged in 11 rebounds and took 11 shots while Warren made 18 markers and pulled down nine rebounds.

Lilley hit 28 total shots, 10 of being pulled out by Coach Andy Sullivan after making a foul shot the first time in the game of the second half. Lilley, with a total of four fouls, sat out the last period of the game and part of the fourth before returning when the Blue Devils came within three points.

It was Lilley's two free throws with a minute left in the game that pulled the Warriors eight points ahead and out of strutting distance. Gary Thompson finished with 19 points for Quincy. The Warriors, who now own a 13-9 record, hit 22 of 48 field goal shots for 46% while the Blue Devils, now 15-8, made 26 of 58 for 45%. The Warriors' remarkable free throw shooting (30 of 38) made the big difference.

The junior varsity game also was won by Granite City, 52-44, with Lilley hitting 17 and Warren with 18. Warren making 10 points.

Dillon, Dixon Sparkle Lincoln's Rams upped their season record to 4-9 with their second victory over Red Bud. The Venice squad was held to a 13-13 deadlock in the first quarter, but outscored the Musketeers 28-18 in the second stanza.

Percy Dillon, hitting short 4 shots and tip-ins, made 10 points and added with 26 points for Lincoln. Calvin Dixon, hitting from outside, scored 22 points and Richard Jackson hooped 16.

On performances by Dillon and Dixon marked the first time this season that Coach Stan Lusk's Rams had two players with more than 20 points in a single game.

The Musketeers' scoring was scattered with Al Luthy's 10 as the best individual effort. The Red Bud faithful feasted Red Bud earlier, 61-47.

The Lincoln Jayvies ruined the Quad-City schools' 1-11 for sweep of the preliminary games by losing 51-59. Top scorers for the young Rams were John Hall (12) and John Brawley (11).

## Intra-City Junior High School Meet Opens Tomorrow Night With 3 Games

Play begins tomorrow night in the first all-Granite City seventh and eighth grade basketball tournament.

The opening night includes two seventh grade games and an eighth grade contest. The tournament continues Wednesday night and concludes Friday night at Prather junior high school.

In the first game at 6 p.m., tomorrow, the seventh graders of St. Elizabeth's (3-1) meet Central (3-8), followed at 7:15 p.m. by another seventh grade battle Sacred Heart (11-5) versus Prather (5-4).

The eighth grade contest pits Sacred Heart (2-12) versus Prather (4-10) at 8:30 p.m.

Three games, one in the seventh and two in the eighth grade, are scheduled Wednesday night. At 6 p.m., the Coolidge seventh grade team (8-1) plays the St. Elizabeth's Central winner. Eighth grade action will see Central (10-4) meeting the Sacred Heart-Prather victor at 7:15 p.m. and St. Elizabeth's (6-8) playing Coolidge (5-9) at 8:30 p.m.

Four games—the third place and championship games at each grade level—will be played Friday, starting at 5:45 p.m. Admission is 50 cents for adults and 25 cents for grade school and high school students.

YMCA Teen Town—emerged as Western Division champion Thursday night and playoff berths for the inter-district playoffs of the High School League were decided Saturday night and today. The playoffs and final record.

YMCA defeated Branding's 47-42 at Coolidge junior high school as Charles Stephens scored 15 and Jerry Nelson hit 11 points. Bill Stanley had 17 and Ken Talley 12 for Branding's. The 'Y' finished with a 9-1 record.

Two other Western games were played Thursday night. Lincoln Place took second place with a 41-37 triumph over Tri-Way Village, with Ken Ferro scoring 12. Jerry Broadwater had 15 for Tri-Way. Olga's Confectionery downed the Saints 45-42 behind Keith Garner's 11 points. Dennis Hecht's nine, Twins John and Jim Pomery hit 13 each for the Saints.

In a lone Eastern Division contest at the Community Center Thursday night, Bellemore Towne played a 36-28, with Norm Wilcox scoring nine and Dennis Johnson eight. Bill Hayes hit 10 for Triple A.

The two weekend games did not count in the regular season standings, but served to settle playoff positions between teams tied for any of the four top spots in either division.

St. Bartholomew's defeated Holland Asphalts 24-18 Friday afternoon to capture the 10th playoff berth in the Eastern Division. The teams had finished in a first-place tie.

Top scorer for the winners was Lloyd Watts with 37 points while Barry Sykes netted 17 and Burl Bolton hit 11. For Holland, Jim McDonnell had 22, Bob Scharf 19 and Frank Bautech 16.

In the two games yesterday, Olga's Confectionery downed the Saints 60-49 and Twilight Optimal edged Bellemore 52-52 to gain the fourth positions in the Western and Eastern playoffs respectively. The losing teams are eliminated.

Pacing Olga's were Larry Johnson with 14 points and Hecht and Ray Talley with 11 each. Jim Pomery scored 16 and Ken Pomery had 11 for the Saints.

Johnson's 18 and Wilfong's 12 paced Bellemore while Bob Marmer hit 24 and Louie Miller scored 10 for the winning Optimal club.

## Sky Steelers Visit Model Airplane Clubs

Members of the Tri-City Sky Steelers model airplane club attended meetings of two other area clubs over the weekend.

On Friday night, John Blum and his son, Mitchell, and Garland Ledbetter attended a meeting of the South St. Louis Yellow Jackets. Purpose was to discuss participation of both groups in a 1400-lap marathon race.

Also discussed was the May 17 "spring thaw" which organized get-together of area model clubs. On Saturday night, Bob Myers, John Pulcher, Jim Turner and Rich Loyd attended a meeting of the Alton Area Thunderbolts.

The local men offered assistance to the Alton group in its first annual model contest this summer.

**Madison's Lusk Out For Week—At Least**  
Coach Earl McCannan said today that Paul Lusk, injured sophomore basketball player, will not be able to play this week for Madison school.

The Trojans play Cahokia tomorrow night and Bethalto Friday night in Midwest Conference games.

"He's improving and is able to walk without crutches now," the coach said. "There's a possibility he might be back by tournament time."

Lusk suffered a sprain and cartilage damage of the right knee in the Feb. 11 game against Granite City. He is the team's top rebounder.

**YMCA Soccer Play Starts Feb. 29 In 3 Divisions**  
The YMCA's spring soccer season for boys will open Feb. 29, it was announced today by Ruben Mendoza, director of the program.

Mendoza said there will be three teams each in the Midges (ages 11-12) and Bantam (ages 13-14) divisions and four teams in the Atom division (ages 15-16). Boys interested in playing are asked to contact the YMCA for further information.

A special instruction program for six-year-olds will start in mid-March, Mendoza added.

## Coolidge Takes Third In Conference Tourney

Coolidge's ninth graders won third place in the Board of Education Junior High School Conference basketball tournament Friday night at Collinsville.

The Braves topped Edwardsville 56-46 as Bob Odum scored 22 points and Terry Moore made 14.

Coolidge was eliminated from the championship game Thursday night as Webster of Collinsville scored a 53-40 victory. Odum made 14 points in that game.

Webster advanced to the title game but lost to regular season champion Roxana 44-43 in the final 15 seconds.

Coolidge concludes its season in an invitational meet at Collinsville this week.

**James Sinnett, 58, Dies; Painter For Local Firm**  
James Marion Sinnett, 58, of 1317 Clark avenue, died at 12:40 p.m. Saturday at Jewish Hospital, St. Louis, where he underwent major surgery last month. He had been ill for three months.

Mr. Sinnett, born in Lima, Creek, Mo., had been a Granite City resident for 21 years and had worked as a painter for Arthur D. Roseman, contractor, for 15 years.

He was a member of Nemoak Methodist Church and Painters Local 120.

He is survived by his wife, Dorothy Sinnett; two sons, James and David Sinnett, both of Granite City; two brothers, David Sinnett, Mabelvale, Ark., and Thomas Sinnett, Jefferson City, Mo.; four sisters, Mrs. Sue Boan, Eldon, Mo.; Mrs. Mattie Hawken, Kaiser, Mo.; Mrs. Frances Thompson, Brainerd, Mo.; and Mrs. Dora McCabe, Kansas City, Mo.; his mother, Mrs. Mable Sinnett, Eldon, Mo., and his grandmother, Mrs. Ethel Sinnett, St. Louis.

An obituary notice is given elsewhere in this issue.

**GCSS 3rd In District Speech Competition**  
Four individuals and a play cast from Granite City high school qualified at a district speech meet Saturday in Wood River to advance to sectional tournaments at Belleville Feb. 29 and Mar. 7.

They were Kenneth Ferro, radio speaking; Linda King, comedy reading; Virgil Malmberg, extemporaneous speaking; Becky Shaw, poetry; and Fern, Miss King, Eric Robertson and Karen Bauer, participants in "Two Plus Two." The play was rated second, and GCSS placed third in the tournament.

Malmberg, Wayne Hancock, Barry Lewis and Bernard Holman had a 3-1 debate record as GCSS played host to nine schools of the Greater St. Louis Speech League Thursday. Speeches are tabulated on a season basis.

**Vandals Damage Fence**  
Charles McQuay, 1031 Iowa street, Madison, reported at 11 a.m. Sunday that vandals damaged an eight-foot section of a wired picket fence and broke a few pickets during the night. Footprints in the snow showed that several persons were involved.

**Valentine Observance**  
Members of Suburban Baptist Church presented valentines and ice and decorated cupcakes, all home-made, to residents of the Anchorage housing project Friday.

**Old Valentines Shown**  
Valentine's Day was highlighted at Lake grade school Friday by a bulletin board display of 50-year-old valentines from the collection of Mrs. Evelyn Gavin, special education teacher.

## MORE ABOUT Burglars Loot

(Continued from Page 1.)  
police Saturday.

**Attempted Burglary**  
Butzie Weber of Butzie's tavern, 24th street and Washington avenue, reported at 11:50 a.m. Sunday that an attempt was made to burglarize the tavern as the glass and a book on a storm door on the south side of the building were broken. Another hook on the door held. There was no entry.

A set of keys to his car was stolen from the glove compartment while it was parked in a lot at the General Steel Industries about two weeks ago, police were notified at 1:45 p.m. Saturday by George Cribler, 2828 Delmar avenue. He said the auto was taken from the lot for a "joyride" Thursday and was returned the same day while he was working.

**Stolen Car Overturns**  
Stolen from in front of their home at 7:30 p.m. Thursday, the 1964 foreign compact auto of Mr. and Mrs. William Champion, 1000 Reynolds street, Madison, was found four hours later overturned on an old country road, a mile north of State Aid Route 35.

The car was seen by a passer-by who notified authorities. It was not in running condition and was towed to a garage.

Madison police last night arrested Michael S. Brown, 19, of 1412 Eighteenth street on a theft charge in connection with alleged theft of \$2 in coins and 140 packages of cigarettes Saturday night from a cigar machine in the Chili Bowl restaurant, 1333 Madison avenue.

## Two Arrested Again In Sudden Vice Raid

For the second time within a month, Delores Williams, 24, and William Ford, 43, both of 2 National Blvd., Collinsville township, were arrested Friday night in connection with prostitution.

The arrests were made after George Ramach, chief deputy sheriff, was alerted "unusual activity" at the house while on patrol. He summoned members of the sheriff's special patrol who met in the vicinity of the Fairmount race track.

Three of them, prepared with marked \$10 bills, walked to the residence and knocked on the door. Ford opened the door; Ramach said, and told them he was "full up and come back about a half-hour later."

The three were admitted on a second try and one haggled with Mrs. Williams, dressed in red stretch pants and a black sweater. After she accepted the marked bill, the two were arrested. She was charged with prostitution and for her keeping a place for prostitution.

The two were released on \$2000 bonds set by Edwardsville Magistrate William Trabant Saturday for a hearing this Saturday. The two were arrested on the same charges on Jan. 31 and were at liberty on bond. Hearings on those charges also are set for Saturday.

### Workmen Spend 18 Hours Putting 5 Cars On Tracks

Workmen spent 18 hours with the aid of a crane to put five freight cars back on the tracks after a derailment within a 92-car Illinois Central Railroad freight train Friday near St. Louis.

There was little damage and no injuries in the case of the derailment hasn't been determined, according to officials of the railroad. The train, which was going 35 miles an hour, contained automotive parts and automobiles bound for St. Louis and Texas, respectively.

### Jury Settles Opinions Today In GC Court

A week-long jury setting in the circuit court in Granite City opened this morning with Judge Fred P. Schuman presiding. The jurors, who were on call at Edwardsville, were sent here.

The first case on the docket is Amelia Rapp of Collinsville vs. Wendell Floor Co., Ralph Wiles, and she is seeking \$30,000 as damages and cost of the suit as the result of an auto-truck accident Jan. 26, 1962, at Routes 40 and 111 in St. Clair county.

### Cars Hit Sign, Pole

Donnie Blair, 18, of 1 Kaseberg lane, and Craig A. Garin, 16, of 2837 Idaho avenue, told police that they were unable to stop their cars in time to avoid a collision at 10:50 p.m. Friday at Franklin and Clark avenues. The police said that Blair hit a utility pole and Garin struck a street sign, and that the two cars did not collide. The Blair car was damaged at the right front and side, and Garin's auto had damage to the right side.

## Building Permits Totaling \$317,950 Issued This Month

Fourteen building permits totaling \$317,950 were issued during the first two weeks of February by Ed E. Johnson, building inspector, and City Clerk A. L. Stevens.

Industrial expansion accounted for the majority of it, including two to General Steel Industries for \$105,000 and \$100,000 and one to A. O. Smith for \$77,000.

The total already exceeds the month of February last year, when 17 permits had values of \$168,850. The January total was \$25 and \$769,545 as construction for 1964 started at a good pace and is continuing.

**Two New Homes**  
Two new homes are included in the list as permits were issued to L. E. Lindsay for a five-room brick veneer with 1½ baths at 58 Bermuda lane, \$15,000, and to James Green for a two-story brick veneer duplex with a two-car garage for \$25,000.

Permits for commercial purposes were issued to Bremer Motor Co., 2123 Madison avenue, for an electric sign, \$550, and to Harold Carver for a 30x50 foot addition to his service station at 2814 Nameoki road for \$8,100.

Six permits for remodeling and repairs to homes were issued to Richard Powderly, 2004 Missouri avenue, install plastic siding, \$1,000; Conrad Bauer, 21st street and Washington avenue, general repairs, \$200; Robert Doreen, 2729 Iowa street, a concrete driveway, \$700; Fred J. Joly, 1933 Magnolia street, a patio cover, \$400; J. E. Brown, 2533 East 24th street, general repairs, \$500; and Edith Schwab, 2538 East 25th street, porch enclosure, \$700.

A permit for a storage shed to cost \$200 was obtained by Raymond Henderson, 2815 Euclid street, Lot.

## Wide Variety Of Business For GC Council Tonight

A wide assortment of business faces Granite City council members when they meet this evening at 8 o'clock.

Debate of Mayor David Feb. 4, 1964, appointment of David J. Johnston as city engineer is likely, but it is not known if the mayor will submit a contract calling for the \$467 monthly payments as were made last year when Johnston was consulting engineer.

The council also is expecting a city planning study, with a \$50 annual license fee and \$2000 bond for contractors and an inspection fee to be paid by property owners.

Recommendations are expected for the purchase of an emergency vehicle for the fire department, to be financed by the Granite City Rotary Club, and on appeals for a site for a proposed new West Granite fire station.

A report also is expected on the city's endeavor to enforce

its zoning and inspection laws for a distance of 1/4-mile beyond the city limits.

Other possible items for discussion are of adding protection at the 29th street and Madison avenue school crossing, precautions for the Nameoki storm water drainage ditch, consideration of a fire prevention code and monthly financial reports.

The city is being advised by Virden E. Staff, chief highway engineer, that its application for \$91,000 motor fuel tax funds for arterial street maintenance during the current calendar year has been approved.

Also received for tonight's meeting by City Clerk A. L. Johnston is a letter from the Federal National Mortgage Association, National City, Mo., regarding a property in Glenview subdivision. The city is being advised that because of sanitary sewer rental and tap-on fees.

### INTEREST GROWING FOR PLASTIC GREENHOUSES

Home gardeners, flower growers and commercial vegetable producers are becoming inter-

Granite City PRESS-RECORD  
Page 10 Mon., Feb. 17, 1964

ested in plastic greenhouses, one of the subjects discussed at the recent annual vegetable growers' school. J. W. Courter, University of Illinois vegetable specialist, speaking at the school, stated that it is a matter of great interest because plastic materials are relatively inexpensive and are adaptable for both

small backyard greenhouses and commercial enterprises.

A polyethylene plastic greenhouse can often be constructed for one-third or less the cost of a glass greenhouse, which is one of the obvious reasons for the popularity of plastic as a greenhouse material. And while well-built structures (covered with semi-permanent plastic and having proper heating and ventilation systems) can cost as much as glass greenhouses over the long run, a grower can reduce his initial costs by building plastic greenhouse with his own labor, using his own materials, while fitting the job into his own

work schedule.

Greenhouses covered with plastic films can be used to grow any crops that are currently grown in glass greenhouses. Some growers have expanded operations by adding plastic houses to their glass range and have used them successfully for year-round production of flower and vegetable crops. However, because of low cost, plastic greenhouses have distinct advantages for seasonal use such as the growing of spring bedding plants or summer flower crops. In this case, the structure can remain unheated and unused during the severe winter months. Plastic greenhouses can be considered temporary structures

and for this reason they have a lower tax assessment than a glass greenhouse or are not subjected to any tax at all. Also, the cost of the structure can be depreciated over a relatively short time. Many plastic greenhouses cannot be insured because of their construction or their permanent nature.

One must not think, of course, that plastic greenhouses offer all the advantages of glass greenhouses. Most plastic structures are not as neat and attractive as glass greenhouses. In many ways, more exact cultural treatment and management is required to grow crops under plastic. Plastic differs from glass in

both physical and chemical characteristics. The results being different light conditions, different temperatures, and different humidity. Well-made plastic greenhouses—those in which adequate ventilation and heating systems have been installed—may, however, under proper management conditions, be extremely satisfactory structures in which to grow crops. It has been said that crops can be of even better quality when grown under plastic. This may or may not be true, but experience indicates that equally high quality crops can be produced under plastic.

Persons interested may secure copies of a new circular on plastic greenhouses at the farm adviser's office, Illinois Circular 857, written by J. W. Courter.

## Tax Limits May Restrict Services By Counties

If Illinois counties continue to depend heavily on property taxes for revenue, existing rate limitations may force them to limit service, operate with illegal rates, or seek additional funds from the state or even the national government.

That's the finding of Irving Howards, acting director of the Public Affairs Research Bureau at Southern Illinois University, Carbondale. In a report prepared for the state Commission on Finance and published in the National Tax Journal.

While a few counties have experienced substantial increases in revenue under current tax rate legislation, Howards reported, many more have experienced serious financial difficulties.

Counties still obtain about 97% of their local tax revenue from property tax, while townships, school districts and special districts receive all of their local revenue from this source, the SIU investigator said.

Basic purpose of current restrictions, passed in 1951 and commonly referred to as the "Boggs-Dowling" Amendments, was to maintain tax rates at the level they were before 1945, when legislation was passed calling for revenue to be assessed at full value.

"It was reasoned that the combination of limited local rate adjustments and uniform assessments at full value as enforced by state and local equalization programs would permit local governments adequate revenue," Howards said.

"At the same time, it must have been assumed that increased property values throughout the years would provide the base for any additional revenues needed by local governments from property taxes."

Revenue tables in the study showed that all Illinois counties received more in actual dollars from local property taxes in 1962 than they did in 1945. However, the consumer price index of the U.S. Bureau of Labor Statistics showed the dollar in 1962 worth only 61% of the 1945 dollar.

Applying this percentage, Howards said, 46 counties had actually experienced a decrease in the amount of money obtained from the county corporate rate; 16 had registered only very moderate increases, and most others had increases of no more than \$25,000.

He emphasized that all of those counties with increases of more than \$25,000 from 1945 to 1960 are considered metropolitan areas, and in each case experienced large population and assessed valuation gains.

"There is little doubt," Howards concluded, "that the formula tax rates set on a 1945 base and applied against existing assessed valuations have in most instances restricted local government revenues to an amount equal to or less than they received in 1945."

### STATE TO ISSUE ID CARDS TO AID RECIPIENTS

Recipients of Old Age Assistance, Aid to Dependent Children, Disability Assistance and Blind Assistance soon will be issued identification cards, according to a report from the Illinois Department of Public Aid.

The identification cards are the first step in a series of revisions of Public Aid Department procedures related to providing medical services to public aid recipients.

Under the new system, public aid recipients will be required to present the card to a pharmacist or physician when requesting drugs or treatment. The cards will show the recipient's name, case number, county of residence and signature.

### STATEWIDE CULTURE PROGRAM

A statewide survey of cultural facilities and organizations is being undertaken by the Governor's Arts Council Advisory Committee. It has been announced by Gov. Otto Kerner.

Questionnaires have been mailed to 450 organizations and cities of more than 8000 population throughout the state. Already more than 80 organizations have returned questionnaires, indicating a keen interest on the part of fine arts groups in this undertaking, according to George M. Irwin, Quincy, committee chairman.

Because of this, those groups not yet replying are urged to do so as soon as possible. The original deadline of Jan. 20 is being extended to Feb. 10.

Illinois is one of 15 states having some form of arts council or arts commission but one of the few states which have an organized activity is progressing.

### NO TAX BOOST BY STATE

Taxes are being increased in 40 other states while in Illinois taxes are the same for the first time in 10 years, Gov. Kerner said last week.

"Illinois is on the path of progress," the governor said. "While other states are struggling to keep abreast, Illinois is moving ahead."

The governor said that government has two choices in the face of rising costs, raise its income by raising taxes or watch expenditures. There were 40 states that chose to increase taxes while Illinois did not.

### MILK PRODUCTION UP

December milk production per cow estimated at 620 pounds, rose 20 pounds from November and marked a new record for the month, according to a report from the Illinois Cooperative Crop Reporting Service.

Average production a year earlier was 600 pounds per cow or three per cent less. In November of milk cows on farms in December declined to 498,000 of five per cent below last year's 525,000 cows.

### CORN PICKING STATISTICS

In the fall of 1963, 65.5% of the 8,849,000 acres of corn for grain was harvested by machine. Total picked 27.5% by hand on combine, and 7.5% by hand picker-sheller, as reported by Illinois crop reporters.

Crop respondents reported that 20% or 150 million bushels of the record 752 million bushels harvested for grain in 1963 was marketed directly from the field, while 77% or 579 million bushels was stored on the farm and the remaining 23 million bushels was stored off-farm in commercial storage.

### DEDUCT STATE CIGARET TAX

Gov. Kerner has announced that Illinois taxpayers will be able to deduct the state cigarette tax when computing federal income tax.

The U.S. Internal Revenue Service recently issued a ruling which held that, as the result of a change in state law, the tax is deductible. The ruling was sent to Harry Hulman, director of the Illinois Department of Revenue.

The deduction is the result of an amendment bill enacted by the 73rd Illinois General Assembly and signed into law by Gov. Kerner. The bill made a technical change to the State Cigarette Tax Law by placing the burden on the smoker who pays the tax. Prior to the change the tax was, by law, on the seller and was not deductible by the smoker even though he paid it.

Gov. Kerner pointed out that more than \$57 million was collected from Illinois cigarette smokers during 1963.

### EMPLOYMENT PEAK HIT BY STATE DURING 1963

Employment in industry reached peak levels in Illinois during 1963, John E. Cullerton, Illinois Department of Labor director, said last week.

Non-agricultural employment total reached an all-time high of 3,875,600 by the year's end, an increase of 48,400 over 1962. For 26 consecutive months since October 1961 Illinois employment has exceeded the levels for the corresponding month of the previous year, Cullerton said in his report to Gov. Otto Kerner.

Earnings reached new highs

### 30-CENT FISHING FEE FOR DISABLED VETERANS

William T. Lodge, director of the Illinois Department of Conservation, has announced that disabled veterans may obtain fishing licenses for 30 cents. The disabled veterans hold fishing licenses for 50 cents, the Springfield office of the Department of Conservation, in cooperation with the Illinois Veterans Commission.

A veteran with a service-connected disability must obtain the application and the affidavit for the license from the Veterans Commission office in his county.

### ACCIDENTAL POISONING OF 11,001 CHILDREN IN '63

Among children under 12 years old there were 11,001 accidental poisonings cases reported in the state during 1963, Dr. Franklin D. Yoder, director of the Illinois Department of Health, said last week.

These cases represent only those reported by the 88 poison control centers in the state, and about 80 other hospitals that voluntarily report although they are not official centers.

"Estimates based on the reporting hospitals add about 9,000 cases treated annually in other Illinois hospitals," Dr. Yoder said.

"The life and health of about 60 Illinois children are at stake each day due to accidental poisonings," Dr. Yoder said. "Find the poisons in your home before your children do. Read and heed all labels of substances you bring into your home. Don't let a killer lie in wait for any unwary child," he said.

### THE ILLINOIS DEPARTMENT OF AGRICULTURE WILL HAVE A SPECIAL EXHIBIT AGAIN THIS YEAR AT THE CHICAGO FLOWER AND GARDEN SHOW

The display will feature Illinois fruits, plant horticulture and bee culture. Last year's flower show drew an attendance of 333,239 persons from many states and this year's is expected to draw more.

CORONATION AT BANQUET  
Mr. and Mrs. Elaine Barr were crowned king and queen at the "sweetheart banquet" Friday evening in the educational building of the First Baptist Church, sponsored by the Training Union. There was "Hearts in Tune."

Dinner was served to 80 people, which included all ages. The tables and room were decorated with hearts. Group singing was enjoyed and a game was played. Mr. and Mrs. Barr wore crowns which Miss Nancy McManaway placed on their heads during the evening. They were representatives of the Friendship Adult Union of the church. Points determined the queen and king, based on six votes and projects during a six-week period.

Rev. Clifford Mooler, pastor of the Grace Baptist Church, Granite City, was guest speaker. His topic was "Hearts in Tune With Each Other as With God." Gene Hargrave sang "The Love of God" accompanied by Miss McManaway at the piano, in closing the program.

HOSTESS TO CIRCLE  
Mrs. Tina Powell was hostess to the Golden Circle Sunday school class of the First Baptist Church in her home, 2024 Colfax avenue, Thursday evening. The monthly meeting was opened with singing of the class song, "Living for Jesus," followed with prayer by Mrs. D. Anne Sexton.

3Ms. Pat Tippon, vice-president, presided over the meeting.

and presented the devotional on the topic, "Love." Roll call was requested to wish Bible verses on love. Those present were Mrs. Pauline Pinkley, class teacher, Mrs. Tippon, Miss Elva Jean Weiss, Mrs. Phyllis Papamarkoff and Mrs. Sexton.

Next meeting will be held in the home of Mrs. Peggy Maize, 2129 Bryan avenue, Mar. 12. The hostess served refreshments.

Girl Scout Troop 266 met Saturday at the home of the leader, Mrs. Marlene Serini, 1713 Market street. The girls, the leader, and Miss Toni Pickett and Mrs. Elia Odum motored to Granite City, where the group enjoyed a roller skating party.

MRS. GRAVES HOSTESS  
Mrs. Erma Graves was hostess to the Thursday Afternoon Neighborhood club in the home of Mrs. Gladys Zentgraf, 1627 Second street, Thursday.

Games were played upon the arrival of Mrs. Minnie Clay, Mrs. Anna Reust, Mrs. Jackie Prizzell and Mrs. Mary Brickley. Prizes were awarded.

Mrs. Zentgraf and Mrs. Graves, both having birthdays in February, received cards and gifts from the members. Refreshments were served. The next meeting will be Mar. 27.

Bowling Troop 574 met Friday at the home of Mrs. Marlene Serini, 1713 Market street. The girls played on a school playground prior to returning to the leader, Mrs. Pickett, to show a valentine exchange and dance.

Musical instruments made by the girls were played during the party. Present were Sandra Kay Serini, Carol Walker, Gloria Boyd, Debbie Barham, Susan Grimes, Sharon Lucille Serini, Barbara Kiesel, Venus Woods and Sally Grimes. Refreshments were served. Next meeting will be Tuesday.

SLUMBER PARTY  
The Fern Washburn Girls Auxiliary of Temple Baptist Church held a slumber party in the home of the counselor, Mrs. Janet Gable, 1915 Fifth street, Friday evening.

The girls played games, made fudge and cookies and enjoyed corn. Those spending the night were Connie Aldridge, Mary Ann Chamberlain, Mary Lee Chamberlain, Peggy Galt, Brenda Hon and Delilah Dorst.

SWEETHEART BANQUET  
The Training Union of Temple Baptist Church sponsored a sweetheart banquet at the church Thursday evening. A king and queen were elected by secret ballot. The queen was Miss Laura Lee Christian and the king, Tommy Chamberlain. They were crowned by the reigning king and queen, Mr. and Mrs. Kenneth Jones.

A fried chicken supper was served to 40. The evening was spent playing games and singing hymns. The adults conducted a mock wedding.

A valentine theme was carried out in the table appointments and church decorations.

WSWS STUDIES MISSIONS  
The Women's Society of Christian Service met Thursday evening in the First Methodist Church, with a monthly lesson presented by Mrs. Wesley Coleman on "Missions."

Hostess, Mrs. Mayne Valow and Mrs. Eugene Blasley, served refreshments to Mrs. Clemens, Mrs. Robert Graves, Mrs. John Draper, Mrs. Betty Ballentine, Mrs. Minnie Martin, Mrs. David Richardson, Mrs. Robert Black and Mrs. Estela McBrien.

MINERVA READING CLUB VALENTINE MEETING  
Mrs. Earl Stannell was hostess to the Minerva Reading club in her home, 1736 Sixth street, Thursday evening. Mrs. Louise Laster served as co-hostess for the monthly meeting.

Hostess, Mrs. Don Purkay, was in charge. A program, "Famous American Women," was presented, Mrs. Sallie Crawford speaking on Susan Anthony; Mrs. Laster, Clara Barton; and Mrs. Gene Daley, Pearl S. Buck.

The group discussed lives of the women. Mrs. Lloyd Harsh gave a talk on "Career Research." A short business meeting was held.

Next meeting will be March 12. The hostesses served lunch with a St. Valentine's Day theme. Next meeting will be Mar. 12.

## Special Offering Will Aid Students

The annual World Day of Prayer service sponsored by the Quad-City Council of Church Women Friday evening at the Mitchell Presbyterian Church was well attended.

The various Protestant churches of the area took part in the program. The speaker, Dr. George Rosenbath of Belleville, was introduced by Mrs. Donald Riverburgh. His topic was "Let Us Pray."

The invocation was by Mrs. Raymond Switzer. Mrs. James Spinks read the Scripture lesson.

The offering of \$53 will be used, along with other nationwide offerings, at 12 Christian colleges for women in Asia and Africa; to provide hospitality for students abroad who come to this country; to provide Christian literature for women and children in many parts of the world and to support migrant ministry and work among American Indians. In addition this year a special gift to be used in this country will make it possible to continue the program of ministry among newcomers in communities.

Karol Kelas, Mrs. Robert Vaughn and Mrs. Clava Taylor. The hostesses served lunch with a St. Valentine's Day theme. Next meeting will be Mar. 12.

## Water Service In Eagle Park Starts Tomorrow

Water will be turned on for the first time at 10:30 a.m. tomorrow in Eagle Park in ceremonies at the home of Mr. and Mrs. William Garthright, 202 Watson road, Eagle Park.

Cleveland Johnson, president of the Eagle Park Acres Improvement Association, said the water main to the community when fully completed will be 16,000 feet in length and cost \$23,885.

According to Johnson, the project cost the 200 families that live in Eagle Park \$103 each. Another \$15 for water meter deposits is required to have the water turned on.

Eagle Park residents have been getting their water from pumps and wells.

Driver Blocks Out  
Wayne Keith Collier, 24, of St. Louis, told Granite City police that he blocked out while driving his car at 6 a.m. Saturday at 15th and State street. The car went into the Young & Jordan used car lot and damaged three parked autos. The left front of his car and the other vehicles were damaged.

Deputy Pays \$270  
Without a license, Deputy Sheriff Oresto, Tony Petrillo, through his attorney, paid \$270 in back support money due his ex-wife, Dorothy. The payment was made Friday at the circuit court in Granite City. The court records show he also agreed to pay \$50 attorney fee for Mrs. Petrillo.

Highway 3 Accident  
A pickup truck driven south on Highway 3 by Ron Zarishian, 46, of 1341 Madison avenue, struck an auto operated by William Dickie Taylor, 38, of St. Louis, as he was leaving the A. O. Smith plant parking lot about 12:30 a.m. Saturday. The left front of the truck and the left rear of the car were damaged.

Hit-And-Run Accident  
The right side of a car owned by Joseph Hatanal, Detroit, Mich., was damaged by a hit-and-run driver while it was parked at 2215 Benton street at 8:25 p.m. Sunday.

## Mrs. Anna Mastin, 75, Dies This Morning

Mrs. Anna Louise Mastin, 75, of 2228 Benton street, died at 1 a.m. today at St. Elizabeth Hospital. She had been ill for 10 months and in the hospital for a week.

A resident of Granite City for four and one-half years, Mrs. Mastin moved here from Los Angeles, where she had lived for 30 years. She was born in Centralia.

Her husband, Edward Mastin, died in 1936. She is survived by three brothers, Carl Niedringhaus, Los Angeles; and William Niedringhaus and Fred Ring, both of Kalamazoo, Mich.; and two nieces, Mrs. Ann Manning, Granite City, and Mrs. Rose Chambers, Chicago.

An obituary notice is given elsewhere in this issue.

George Shier, 76, Dies In Florida Hospital  
George B. Shier, 76, of Largo, Fla., a former resident of Granite City, died at 5 p.m. Saturday at the Methodist Hospital, Clearwater, Fla., where he had been a patient four days.

Mr. Shier, born in Louisville, Ky., lived here 55 years before moving to Largo five years ago. He was in the building contracting business here until he retired in 1951. He was a member of the Calvary Methodist Church in Largo.

He is survived by his wife, Alex Shier; a daughter, Mrs. Fred (Agnes) Pierce, East St. Louis; a grandchild and two great-grandchildren. An obituary notice is given elsewhere in this issue.

Parked Auto Damaged  
A hit-and-run car damaged the left side of the auto of Kenneth Graham, 2017 Mainway avenue, while it was parked on State street at Niedringhaus avenue between 10 p.m. Saturday and 2:30 a.m. Sunday.

## Falls Send 8 To Hospital Saturday

Falls plagued Quad-Cityans Saturday, sending eight to St. Elizabeth Hospital for treatment of injuries.

Mrs. Burt (Shirley) Ottinger, 23, of 1641 Delmar avenue fell down a flight of 15 steps, injuring her left foot, ankle and knee.

A seven-year-old boy, Ronald Ingram, stepson of Frank Sereno, 2601 National avenue, also apparently fell down steps at his home. He was treated at the hospital after being found in the basement, near the bottom of a stairway containing six steps.

Falling off a bed, Robert Wayne Clark, 12, son of Wayne Clark, 2302 East 25th street, injured his right hand, had an upper tooth broken and suffered abrasions and contusions to the face. He was admitted to the hospital.

A similar mishap, a fall out of bed, inflicted a large bump on the left side of the head of Toddy Snyder, six-month-old son of Earl Snyder, 2028 Washington avenue.

Brian Barnes, seven, son of Doyle Barnes, 4912 Hills avenue, fell and sustained swelling of the right elbow.

A clavicle fracture was suffered by Tim Mayes, two-year-old daughter of Donald Mayes of the 2100 block of Brown avenue, ill, was determined after she fell and hurt her left shoulder.

Kathy Hurt, five, daughter of Herman Hurt, 2720 National avenue, fell at her home, receiving contusions and swelling of the right leg, and was admitted.

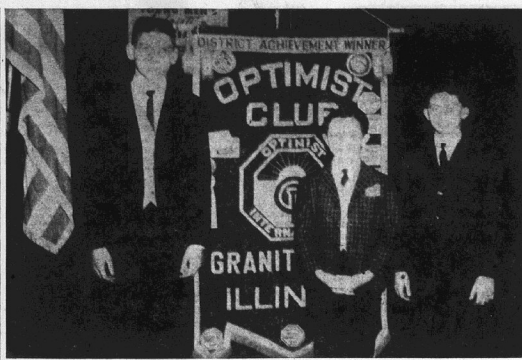

Also falling at home, Mrs. Elizabeth Weinlein, 82, of 2302 State street reported pains in the left wrist and left hip. She was admitted to the hospital.

Falling objects also proved hazardous. A car horn fell on the hand of Leslie Patton, 52, of 311 Hill street, Eagle Park, and a table fell on the right foot, ankle and injury to the right foot of Michael Hill, eight, son of Harry Hill, 2513 Chicago avenue.

Others given emergency treatment Saturday were Mrs. Hazel Jones, 45, of 2608 East 28th street, whose left forearm was burned by grease, leaving blisters; Brenda Angle, 14, daughter of Mrs. Mary Angle, 2307 Independence drive, who cut her left hand while picking up glass from a broken window; and Mrs. Mary Wondra, 48, of 2664 East 27th street, who accidentally cut two fingers of her left hand on a wire.

Graham, a student at Coolidge junior high school, was awarded a \$25 U. S. Savings Bond and trophy. He was the first step in a series of steps that could win for Graham a \$1000 scholarship, if he is successful in the interest to be held in June at Denver, Colo.

Second place and \$10 went to Philip Spiceland, 14, son of Mr. and Mrs. Walter Spiceland, 3739 Fair Oak drive, while Charles Douglas, 13, son of Mr. and Mrs. Raymond Douglas, was third in the contest and won \$5.

Spiceland attends Coolidge and Douglas is a student at Central junior high school.

Other participants were: Tim D. Karandjef.

## Federal Funds Sought For Hillside Project

Thomas F. Hennessy, chairman of the engineering committee of the levee board, is seeking a full federal appropriation to construct the proposed hillside drainage system in Madison and St. Clair counties.

In a letter to Sen. Everett S. Dirksen, he said the project would offset unemployment in East St. Louis and the area.

Copies of the letter went to President Johnson, Sen. Paul Douglas and Gov. Melvin Price.

He cited a survey of East St. Louis conducted by Dr. Seymour M. Mann, professor of government and director of the Metropolitan Affairs study project at Southern Illinois University, which showed that 20% of the city's eligible workers are unemployed, compared with a national average of 3.8%.

Hennessy said the levee board has exhausted all means except a referendum to obtain the necessary funds.

## Two Express Bus Routes For Area In Bi-State Grant

The Bi-State Development Agency has obtained a federal grant of \$357,754 to finance eight new express bus routes, including two into the Quad-City area.

The new routes are expected to be in operation by the middle of May. Seven of the routes will fan out of the St. Louis business district, and the other will run from Clayton to Ferguson.

One of the express routes will originate in the northwestern part of Granite City and operate via Prairie avenue, Terrace lane, Johnson road, Benton street, 27th street, Delmar avenue, 18th street and Madison avenue to the McKinley bridge and into downtown St. Louis. It will be called the Granite City express.

The other will start in the northeastern part of Granite City and operate via Pontoon road, Johnson road, St. Clair avenue, Wayne avenue, Faith avenue, Nankroll road, Edwardsville road (Highway 162), then over the McKinley bridge into downtown St. Louis. It will be called the Pontoon express.

On the Missouri side the express routes will be the Watson, Big Bend, Geyer, Lackland and St. Charles.

The express routes will operate Mondays through Fridays. There will be six rush-hour trips in the morning and evening at 10 to 20-minute intervals. Mid-morning and mid-afternoon shoppers service also will be provided.

The grant was from the Housing and Home Finance Agency to conduct the routes on an experimental basis for a year to determine the factors which influence the patronage of express bus transportation.

If they are successful, they will be continued as part of the Bi-State Transit System.

The experiment will cost about \$356,371 for one year, with the HFEA providing two-thirds of the amount and Bi-State the remaining \$178,877.

The express routes will be conducted under the general supervision of Transit Services Council which provides management for Bi-State's transportation system. A report is to be prepared by W. C. Gilman & Co., the firm which conducted a comprehensive transportation study of the metropolitan area three years ago.

The work is expected to be completed by the end of the year.

## Auto Salesman Honored

Rupert L. Haneline of Hundley Pontiac Co. was honored at a banquet held in St. Louis by the Pontiac Motor Division of General Motors Corp. for membership in the master salesmen's club. He was presented with an emblem of recognition for outstanding sales accomplishment.

## Contest Winner, Mark Glass, 16, of Collinsville, is congratulated by A. Burt Harris, fifth division Americanism chairman for the American Legion which sponsored the contest at the Granite City post Thursday night. Glass proceeds to state finals next month in Kankakee.

## Collinsville Youth Wins Oratory Contest

Mark Glass, 16, of Collinsville, was declared the winner of the American Legion's fifth division oratorical contest held at the Tri-City Post 113 Legion hall Thursday night.

He won on a forfeit as his opponent from Sparta was unable to attend. The contest was conducted by A. Burt Harris of Granite City, division Americanism chairman.

Glass, a junior at Collinsville high school, will represent the division in the Illinois department finals to be held in March in Kankakee. He will compete with four other high school students from Illinois for an \$800 scholarship.

The topic for the contest is the Constitution of the United States. Judges for the local contest were Paul Meyer, Gene Baum, Irvin State, Terry Francis and Earl Lee. Burton Bernard, local attorney, won this contest nationally in 1943.

## PREVENT BABY ACCIDENTS

The saddest tragedy in any home is to have a child suffer a preventable accident. Here are a few authentic suggestions to protect our precious ones.

## FROM BIRTH TO FOUR MONTHS

Never leave baby alone where it is possible to wiggle and fall. Toys should be too large to swallow, no sharp edges and too tough to break. Keep pine out of reach. Watch out for smothering pillows, bed coverings, harnesses and flimsy plastics.

## FROM FOUR TO SEVEN MONTHS

Baby moves more and reaches for things. Keep all small objects out of reach. Rounded sturdy plastic or wood toys are safest. Never leave baby alone in bath.

## SEVEN TO TWELVE MONTHS

Baby can now sit, stand, crawl, perhaps walk and can pull anything down. Medicines, toilet articles, hot foods, liquids, electric cords: all must be out of reach. Place guards around heaters. Watch out for low hanging table cloths. Fence stairways. Keep screens nailed or locked. Never leave baby alone in tub, wading pool or water.

## DEPEND ON US FOR BABY NEEDS

We carry a complete stock of everything that can keep baby healthy and comfortable. Whether it be an important medicine, vitamins or just a nipple, we have it.

## Good Fire Protection: A Community Asset

Our system of well-maintained fire hydrants is your guarantee of good fire protection. A dependable fire protection system is one of the most important assets a community can have. It not only minimizes damage from fires, once they start; it also means lower fire insurance rates on public and private properties. Everyone of our fire hydrants is checked and serviced by our experts at regular intervals.

## 'Nature Valentine' In Vaught Yard

"Nature's valentine," Mrs. Ernest Vaught termed it Friday morning when she telephoned the Press-Record to report four bright yellow crocuses were blooming in her yard.

"It's beautiful," she proclaimed, adding that the scene was brightened even further with a red bird in a tree near the plants.

The plants are on the south side of her home at 2810 Roosevelt street. "They're right in front and they're getting plenty of sun. My hyacinth plants also are above ground," she commented.

**CLUB AIDS HEART FUND**

The St. Elizabeth's Hospital Mothers' club monthly meeting was held Thursday evening in the cafeteria of the school. Mrs. Dorothy Lorch, president, called the meeting to order, followed by the Lord's Prayer said in unison.

Reports were approved, and a contribution was made to the Heart Association. The president spoke to the members on a candy sale which is to be held in April. Mrs. Betty Elliott reported on a bake sale held recently by the members.

William Leibelster and a number of the students in the Madison grade school band, under his supervision, explained various instruments and had band members demonstrate them. Numbers were played by the group for the mothers.

The hostesses, Mrs. Marie Miller, Mrs. Edith Miller, Mrs. Mary Camren, Mrs. Patsy Madden and Mrs. Beverly Topal, served refreshments. The next meeting will be a prayer party, at which time each member is to wear a hat for judging. Hostesses for the next meeting Mar. 11 will be Mrs. Margaret Garrison, Mrs. Patsy Sorenson, Mrs. Laverna Harris, Mrs. Julia Voloski, and Mrs. Rose Lawrence.

**VALENTINE THEME FOR LUNCHEON**

The Ladies Quilting Society of the First Methodist Church met at the church Thursday morning for a day of quilting. Lunch was enjoyed in the basement of the church during the noon hour at a table decorated with a St. Valentine's theme.

A large heart adorned the center of the table, with miniature hearts of lace holding a Bible verse at each place setting. The decorations and favors were made by Mrs. Beasley. Rev. Beasley was at luncheon guest. Mrs. Lester Cook gave the devotional during the noon hour. Other quilters present were Mrs. Minnie Martin, Mrs. Bonnie Robbins, Mrs. Belle Woodring, Mrs. Zana Kirtley, Mrs. Theresa Fogle, Mrs. Ann Ritter, Mrs. Edna Austin, Mrs. Nova Sanders, Mrs. Charlotte Young, Mrs. Amanda Hill, Mrs. Dennis and Mrs. Cornelia Hommert.

**VALENTINE PARTY**

A Valentine party was held during a regular meeting of Girl Scout Troop 365 at the home of the leader, Mrs. Marlene Serini, 1711 Market street. The time was spent singing, square dancing and exchanging valentines.

Mrs. Serini received a number of valentines from the girls. Refreshments were served to Paula Stephens, Suzanne Baker, The Severine, Pat Abernathy, Betty Ann Koval, Sharon Hamann, Debbie Rhoads, Pat Thomson, Penny Planitz and Barbara Griffin.

Plans were made for a skating party to be held at a later date.

**CIRCLE LUNCHEON**

Circle One of the first United Presbyterian Church met Thursday afternoon in the home of Mrs. Marion Fogle, 1604 Fourth street. A one o'clock luncheon was served by the hostess, assisted by her mother, Mrs. Kathryn Degischer.

Those seated were Mrs. L. C. Harlan, Mrs. Daisy McDonald, Mrs. John McElwain, Mrs. Arthur Burns, Mrs. Bertha Wilson, Mrs. Jack Rodgers sr. and Mrs. William McDonald. The devotion and prayer were by Mrs. Fogle. The lesson, taken from the study guide book, "Be What You Are," was on "Saints and Brothers." It was given by Mrs. McElwain.

Mrs. Rodgers took the topic, "Golgotha 1964" from the church magazine, "Concern," after which she read a poem concerning the topic. The yearbook of prayer was read by Mrs. Rodgers on united missions in Iraq. Mrs. Fogle closed the meeting with prayer. Mrs. Harlan will hold the March meeting in her home, 1734 Fourth street.

**VALENTINE THEME AT BIRTHDAY PARTY**

The fourth birthday of Leonard Anthony Leleniewski was observed with a party given by his parents, Mr. and Mrs. Edwin Leleniewski, 821 Thirteenth street, Wednesday afternoon.

The birthday cake and decorations were in keeping with a St. Valentine's Day motif. Games were played by the children and many gifts were presented to the honoree.

Attending were Mrs. Helen Nysski, grandmother of Mr. Walter Baker and children, Allison, Denise and Rita, Mrs. William Meyer and Mrs. Cline, and Edwin, and Ronald Sharon and Linda Leleniewski, brother and sisters of the honored guest.

**TENTH BIRTHDAY**

Mr. and Mrs. Delbert Wood, 161 Big Four place, entertained with a party Saturday afternoon in honor of their son, Marvin, for his tenth birthday. Those present were Vernon Lux, Pat Fields, Rickey McGinnis, Gregory Dix, Richard Meyers, Greg Siddeth, Dale, Cheryl and Tina Wood, Timmy Aldridge, Mrs. Nelly Boerckel and Mr. and Mrs. James Aldridge.

**Snow Brings Snowballs**

The six-inch snow that fell Saturday prompted a call to the police at 11:25 a.m. that boys were hopping onto passing autos at 21st street and Delmar avenue, and a report at 7:35 p.m. that boys were throwing snowballs at passing rocks at passing cars near 13th street and Edwards road. All were gone when officers arrived.

**Train Waits For Car**

The tables were turned on a railroad engineer who was forced to wait until a parked car was moved at 11:30 p.m. Thursday at 20th street and Missouri avenue. The car was parked too close to the track. Police located the owner who moved it.

father, William Wiedower. He passed away before she arrived there.

Funeral services were held at Morrilton today. Mr. Wiedower was a retired carpenter and had resided in Venice for several years before moving to Morrilton.

Mrs. Fern Whyers, who has been a patient at St. Elizabeth Hospital, nine weeks, returned to her home on Maryville road Saturday.

**ENTERTAINS CLUB**

Mrs. Mildred Hubbard, 528 Chouteau avenue, entertained her bunco club at her home Thursday. Preceding the games, lunch was served to Mesdames Geneva Gibson, Eunice Price, Ruthanne Weis, Mildred Werner, Joyce Shorski, Ann Meyer, Dorothy McDonald, Alice Provett, Helen Fields, Barbara Fulmer and son, Myrtle Brown and son, Eubaly Hubbard.

**State Files Injunction**

**Suit Against Gem Co.**

The Illinois Department of Revenue has filed an injunction suit against the Gem Furniture Co. in Madison county circuit court in an attempt to restrain it from doing business. The complaint charges violation of the retailer occupation tax act in that it failed to pay taxes due for August, October and December of 1959, January, February and April of 1960, November of 1961 and May through December of 1962.

The complaint said the state revoked the firm's certificate of registration on Oct. 2, 1963, but that Gem continued to do business without a certificate in violation of the act. The department seeks to restrain the company from doing business until it has become qualified for registration.

**License Suspension For Madison Driver**

A driver's license suspension was ruled Friday at Springfield for a Madison motorist, Edward C. Pace, 1689 Second street, for reason of three traffic violations. The ruling was handed down by Secretary of State Charles F. Carpenter.

**Right-Of-Way Arrest**

Roy C. Bird, 77, of 2225 Delmar avenue was arrested at 11 a.m. Saturday for failure to yield the right-of-way in a collision at 20th street and Cleveland blvd. He posted his driving license and was released until Feb. 25. There was damage to the left rear of his southbound car and the left front of the westbound auto of Barbara Christian, 2001 Lee avenue.

**Truck-Auto Mishap**

A pickup truck being driven north at 1:50 p.m. Saturday by Robert C. Bradley, 3125 Davis avenue, collided with the right rear of the auto of Ramona Ortiz, 1734 Poplar street, who was backing out of a driveway at 2636 Madison avenue.
